SecureHealth Family Floater Policy

Policy Number: SH-2026-00123 Insurer: SecureHealth General Insurance Co. Ltd.

Policy Type: Individual Health Insurance Sum Insured: Rs. 5,00,000

This policy provides coverage for hospitalisation expenses, day care procedures, and pre/post hospitalisation expenses as detailed in this document, subject to the terms, conditions, exclusions and limits stated herein.

Hospitalisation Cover

The Company shall indemnify Medical Expenses incurred for Hospitalisation of the Insured Person during the Policy Year, up to the Sum Insured, for treatment taken as an inpatient for more than 24 consecutive hours in a Network or non-Network Hospital, provided the treatment is Medically Necessary. Covered procedures include, but are not limited to, knee replacement, hip replacement, cardiac surgery, cataract surgery and other surgical/medical procedures that are payable and admissible under this policy.

Room Rent: Room, boarding and nursing expenses are covered up to 1% of the Sum Insured per day. ICU expenses are covered up to 2% of the Sum Insured per day. If the Insured Person opts for a room category with rent higher than eligible, the Company shall pay the proportionate deductions as per the applicable proportionate deduction clause.

Day Care Procedures

The following procedures, among others, are covered even if the Hospitalisation is for less than 24 hours, due to technological advancement: Cataract Surgery, Dialysis, Chemotherapy, Tonsillectomy, Lithotripsy (Kidney Stone Removal). These are payable and eligible under this policy subject to the co-payment and deductible mentioned below.

Waiting Period

Initial waiting period: 30 days from the policy commencement date for all illnesses (except accidents). Pre-existing diseases waiting period: 36 months of continuous coverage from the first policy inception date, after which pre-existing conditions become payable.

Specific illness waiting period: 24 months for conditions such as cataract, hernia, and joint replacement surgery (including knee replacement) unless necessitated by an accident.

Deductible and Co-payment

Deductible: Rs. 5,000 is applicable per claim, over and above which the Company's liability begins. Co-payment: A mandatory Co-payment of 10% of each admissible claim amount shall be borne by the Insured Person for all claims, and an additional 10% Co-payment (total 20%) applies for Insured Persons aged 61 years and above at the time of Hospitalisation.

Exclusions

The Company shall not be liable to make payment under this Policy in respect of any expenses incurred in connection with or in respect of the following, unless expressly stated to the contrary in this Policy:

- Cosmetic or plastic surgery unless necessitated due to an accident or as part of medically necessary treatment
- Dental treatment, except arising from accidental bodily injury requiring hospitalisation
- Treatment for infertility, sterilisation, and voluntary termination of pregnancy
- Weight control services including surgery for obesity
- Self-inflicted injury and treatment for substance abuse or alcoholism
- War, invasion, act of foreign enemy, and nuclear/radiation contamination
- Experimental or unproven treatment not recognised by modern medicine

Sub-limits

Cataract Surgery: payable up to 25% of Sum Insured or Rs. 40,000 per eye, whichever is lower. Knee Replacement (unilateral): payable up to Rs. 1,50,000 per knee. Ambulance charges: payable up to Rs. 2,000 per Hospitalisation.

Claim Procedure and Conditions

Cashless claims: The Insured Person must obtain pre-authorisation from the Company through the Network Hospital's insurance desk before planned Hospitalisation, or within 24 hours for emergency admissions. Reimbursement claims: All original bills, discharge summary, and investigation reports must be submitted within 30 days of discharge from the Hospital.
